

## Valve plug MDC06-4s with cable

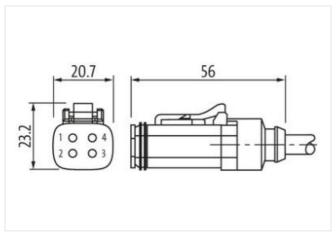

PUR / PVC 2x1.5+1x2x0.5 bk 7.5m

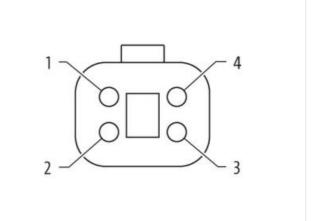

Xtreme - Outdoor Male straight The resistance to aggressive media should be individually tested for your application. Further details on request. Further cable lengths on request. 6 ... 32 V AC/DC 4-pole Shielded without components without cable sleeves Compatible with: Deutsch DT06-4S Plastic housings with good resistance against chemicals and oils.

| Important installation notes                    |  |  |
|---|--|--|
| Note on strain relief                           | Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.  |  |
| Note on bending radius                          | Attention: Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces. |  |
| Installation   Cable                            |  |  |
| vire arrangement                                | brown, blue, gray, pink, white, black  |  |
| Cable identification                            | 260  |  |
| lacket Color                                    | yellow   |  |
| Amount stranding                                | 1  |  |
| Stranding                                       | 2 wires twisted  |  |
| Amount stranding (type 2)                       | 1  |  |
| Stranding (type 2)                              | 2 wires with Stranding combination twisted   |  |
| Filler  | yes  |  |
| vire arrangement                                | brown, blue, gray, pink, white, black  |  |
| Cable weigth                                    | 99 g/m   |  |
