

## 7/8" female 0° with cable

PUR 5x1.5 gy UL/CSA+drag ch. 7m

Female straight 7/8" (5-pole) Power cable with cable sleeves Further cable lengths on request. Plastic housings with good resistance against chemicals and oils. The resistance to aggressive media should be individually tested for your application. Further details on request.

| Additional condition temperature range   | depending on cable quality   |
| Important installation notes             |  |
| Note on strain relief                    | Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.    |
| Note on bending radius                   | Attention: Observe the permissible bending radii when laying cables, as the IP protection class can be |
| Ĵ  | endangered by excessive bending forces.  |
